Title: FSX Steam Edition: Toposim Mexico Add-On

Genre: Simulation

Developer:

Toposim

Publisher:

Dovetail Games - Flight

Release Date: 10 Feb, 2017

English

Awesome, the amount of detail in the mesh compared with the stock one is mind blowing, is like playing a whole different game. I reeeeeeally recommend this addon, the stock one lacks of accuracy in some regions, I live in Mexico and I only fly in Mexico most of the time so I've noticed a huge change.. I reeeeeeally recommend this addon, the stock one lacks of accuracy in some regions, I live in Mexico and I only fly in Mexico most of the time so I've noticed a huge change..
